LAURA A. AUSTIN, CLERK
BY: *Heeson*
DEPUTY CLERK

To the District Court for the Western
District of Virginia Roanoke Division

I motion the court to accept this
Sworn Statement of Donald Mace as
A response to Defendant Wisely's Motion
to Dismiss Case # 7:23-CV-00747

"Absolute immunity is to protect prosecutors
from law suits for conduct closely associated
with court procedures." Defendant Wisely acted
maliciously in her attempt to prosecute a
case with no evidence. Making statements
like "I will get the max charges" early in
the case revealed the discriminatory intentions
from the start. Withholding evidence requested
from my lawyer "Jail phone calls" to aid in
my defense disregarding evidence to reach
a preferred conclusion is clear. Once Wisely
learned I was trying to expose a conflict
between my case and the Commonwealth's
office Wisely then accused me of
threatening her and her family and claimed
conflict and removed herself from the case.
Having a 100ft restraining order granted
Wisely continued to be present at my
court dates even making taunting faces

at me with her back turned to the Judge as the special prosecutor spoke to the court. I feel her presence was a form of harassment along with her slandering me in the court and the community. The fact Wisley denied me bond in a life threatening situation after being diagnosed with heart failure leaving me with 25% EF of the heart and allowing members of my family to listen to "jail phone calls" humiliating me as small talk among the family confirmed the reckless and malicious intentions of Defendant Wisley. After examining all evidence a clear pattern will emerge of the wrongful acts that violated my rights.
